If today was di last day a yuh life, weh yuh woulda go? Heaven or Hell?

Bot unu no nuo wa a-go apm tumaro. Kaaz wa a unu laif? It komiin laik wan staam we luk op fi wan likl wail an den disapier we. James 4:14

Four truth deh weh wi haffi andastan gud gud:
1. Gad lov unu so moch.
Him waan yuh fi have eternal life inna heaven wid Him.
Kaa, Gad lov di worl so moch dat im gi op im wan dege-dege Bwai Pikni, so enibadi we chos iina im naa go ded bot a-go liv fi eva. John 3:16
Him waan yuh fi have a abundant an meaningful life wid Him.
Di tiif kom onggl fi tiif, fi kil an fi mash op. Mi kom so dat dem kyan get laif, an so dat dem kyan av nof nof laif. John 10:10

Kaaz di pie fi sin a det; bot di gif we Gad gi wi mek wi liv fi eva siek-a wi Laad Jiizas Krais. Romans 6:23
